Research Volunteers Needed:
The University of Florida Neurocognitive Laboratory is searching for volunteers, aged 25-59, for a research study on cognition and emotion in healthy adults.

Volunteers must:
- Be between the ages of 25-59
- Be a smoker or non-smoker
- Be in good physical health
- Have completed at least their sophomore year of high school, but not higher than a bachelor’s degree
- Have no history of head injury or unconsciousness

Research volunteers will be reimbursed for their time.

For more information, call (352) 294-4920 any day of the week and leave a message.

This study is conducted by:
Sara Jo Nixon, Ph. D. - University of Florida Department of Psychiatry

IRB APPROVED ON 10/8/2013
